MORE ABOUT CALABASAS:

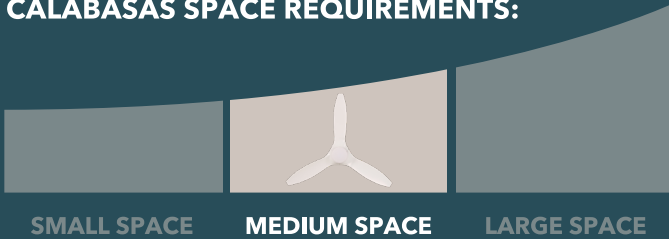

Hunter's Calabasas Ceiling Fan with Surespeed® technology brings refined style and modern performance to your home – backed by Hunter's quality, performance and expertise promise. Featuring a whisper-quiet, energy-efficient DC motor and integrated LED lighting, it delivers powerful airflow with ultra-low fan speeds ideal for a restful night's sleep. Designed for pitched ceilings up to 34° and built with premium materials, the Calabasas offers lasting quality and timeless style for bedrooms, living areas, and covered outdoor patios. All backed by Hunter's market-leading lifetime motor warranty and 3 year in-home service, ensuring comfort and peace of mind for years to come.

- **SureSpeed®** technology delivers powerful airflow that's whisper-quiet and wobble-free
